home page: <http://www.aczoom.com/tools/cdinsert/>

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

The Man Who Would Be King

Rudyard Kipling

The Man Who Would Be King Rudyard Kipling

The Man Who Would Be King

The Man Who Would Be King tells the story of two British adventurers in British India who become kings of Kafiristan, a remote part of Afghanistan. It was inspired by the exploits of James Brooke, an Englishman who became the "white Raja" of Sarawak in Borneo, and by the travels of American adventurer Josiah Harlan, who claimed the title Prince of Ghor.

The story was first published in *The Phantom Rickshaw and other Tales* (Volume Five of the Indian Railway Library, published by A H Wheeler & Co of Allahabad in 1888). It also appeared in *Wee Willie Winkie and Other Stories* in 1895, and in numerous later editions of that collection. It is the basis for John Huston's 1975 film of the same name, starring Sean Connery and Michael Caine as the "kings", and Christopher Plummer as Kipling. (Summary from Wikipedia adapted by Philippa)
